### ST. LEONARD SCHOOL CURRENTLY REGISTERING STUDENTS IN PRE K THROUGH 8TH GRADE

St. Leonard School is dedicated to promoting the spiritual and intellectual development of each child with an emphasis on faith, academic excellence, and service. We believe in a strong partnership between home and school to foster student development. Our teachers use a variety of teaching methods including technology, outdoor classrooms (weather permitting), and projects to allow our students to achieve their academic potential. Our approach to education includes ambitious instruction, collaborative teachers, and a supportive environment to propel our students to achieve the ACT Readiness & National benchmarks. Upon graduation, 99% of our students attend the high schools of their choice.

We believe that children are influenced by their environment. Parents, the source from whom children derive their values, entrust their children to us. We will assist parents in fulfilling their obligation for the Christian formation and education of their child. An emphasis is placed on the Sacramental life of our students, with our second graders receiving the Sacraments of Reconciliation and First Communion. Our 8th graders receive the Sacrament of Confirmation after spending time learning more about our faith, engaging in service, and building community.

EXPERIENCE THE ST. LEONARD SCHOOL DIFFERENCE!

To schedule a tour or for more information please call 708/749-3666 or contact: [ldelanjay@stleonardschool.org](mailto:ldelanjay@stleonardschool.org)

This weekend we hold the summer **Missionary Cooperation Plan** collection, a chance to offer prayer and financial support to missionaries who minister all over the globe. This summer, due to the pandemic, we cannot have an in-person visitor, so our mission appeal is virtual. Look on our website or social media for more information about the missionary groups who will benefit from this collection. If you are able, please place a donation to support the 104 participating mission causes in the collection basket (with checks made payable to the parish and in the memo section put Missionary Cooperation Plan), or you can make a donation online at [WeAreMissionary.org/give](http://WeAreMissionary.org/give).
