# COVID-19 Remembrance Project

An initiative of St. Leonard Catholic Church and School

One of the most emotionally devastating consequences of the Covid-19 Pandemic, especially in its earliest stages, was the inability of family members to gather for a proper funeral honoring their loved ones. It is a sadness that continues to haunt those who had to say farewell to a family member so unceremoniously. St. Leonard would like to offer an opportunity to bring some healing to that pain!

During our weekend Masses in October, we will be offering **free Mass intentions** for those who died due to Covid-19.

To participate, simply fill out the form by scanning the QR code, choose your date(s) and Mass time(s), invite your family to attend the Mass. Your loved one's name will be mentioned in our prayers for Covid Victims.

Requesting a Mass to be said for a loved one is a powerful way of asking God to receive their soul into His merciful love. We hope that it can bring a small ray of hope to those who have lived with an empty chair at the table due to Covid-19.

Una de las consecuencias más pesadas de la pandemia Covid-19, especialmente en sus primeras etapas, era la inhabilidad de los familiares reunirse para un funeral adecuado para sus seres queridos. Es una tristeza enorme que sigue lastimando a los que tuvieron que despedirse de su familiar sin ceremonia. San Leonardo quiere ofrecerle la oportunidad para sanar ese dolor.

Durante las misas dominicales en Octubre, ofreceremos las intenciones de Misa sin costo para aquellas personas que se murieron a causa del Covid-19

Para participar, simplemente llene la forma escaneando el código QR, elija su fecha y hora de misa, e invite a su familia para asistir a la Misa. El nombre de su difunto será mencionado en nuestras peticiones por las víctimas del Covid.

Empty chairs arranged for the First National Covid-19 Day of Mourning on Oct. 4, 2020

Pedir una misa a nombre de su familiar difunto es una manera muy poderosa para pedirle a Dios que reciba su alma en su amor misericordioso. Nosotros esperamos que esto pueda traer un pequeño rayo de esperanza a todos aquellos que han vivido con una silla vacía en su mesa debido al Covid.

## What is Alpha??

Alpha is an exciting opportunity to recharge your faith batteries! Meetings consist of simple fellowship, a video presentation on the basics of Christianity, and a time for small group faith conversations. Anyone from any background and any level of faith is more than welcome to join.

Alpha started in 1977 in England, designed as a "place" of hospitality, and a safe environment for people to voice their questions and express their points of view whatever those might be.

Alpha has spread across the globe. A few years ago, the Archdiocese of Chicago recommended Alpha to reenergize parishes and to exercise our mission to share the Good News of Jesus.

We are hosting Alpha here at St. Leonard starting on **Thursday, September 30th**, at 7:00 pm in the rectory basement. The program runs for 11 weeks.

Please consider joining us for this opportunity to share and grow in your faith and relationship with Jesus!

For more information contact Julie at [jcastillo@stleonard.org](mailto:jcastillo@stleonard.org) or 708-484-0015 (parish office).
