Retirement Fund for Religious

Elderly religious need your help. Like those pictured, nearly 25,000 senior sisters, brothers and religious order priests have dedicated their lives to serving others by praying for us, ministering to all, educating the young, caring for those who are sick and helping those in need—usually for little or no pay. Today, their religious communities do not have enough retirement savings. Your donation will make a real difference by providing essential care, medicine and other necessities. Please give generously.

Yakhal/Hope | Advent: Word Studies | The Bible Project

In the Bible people who have hope are very different from optimists! In this video, we'll explore how biblical hope looks to God's character alone as a basis for trusting that the future will be better than the present.
