## **School NEWS**

These past weeks we have been reading our Main Selection Story "**A Musical Day**" which we learned is a realistic fantasy about two children making their own instruments. We compared and contrasted with a Informational Text "Drums" which taught the children how to make their own drum.

In Writing we wrote complete statement sentences as well as sequence of events. What came first, next, then, last in "A musical Day" The students also had a chance to build their own instrument at home and on Friday our class got to rock out and form our own classroom band "**Ms. Z's Rockin Bees**".

In Religion, we have talked about the fruits of the Holy Spirit. We also learned about Saints, on how we become a Saint and who were some of the Saints. Each Student had to do some research and each of them shared who their Saint was and one thing they learned about them.

I am so amazed at the creativity of our 1st grade class at St. Leonard School!
